\*\*\* The Maximum Loanable Value is shown herein, applicable for Accredited Banks only. The actual equity due may increase and the actual loan value approved by the bank may decrease due to the client's capacity to pay. Bank conducts Credit Investigation and it is the client's responsibility to comply with all documentary requirements of the bank. The Bank may charge miscellaneous application/ appraisal fees and separate mortgage and loan registration fees, and these are due to be paid immediately upon the release of a Notice of Approval by the bank, and absolutely no later than the last equity payment due date. All transfer of title fees must be paid not later than when the last equity payment falls due and prior to bank loan processing. The non-payment or delay in payment of the transfer of title fees, bank charges, and/or the delayed, disapproved, or lowered bank approvals that results in additional equity that is not immediately paid by the client will result in penalties and charges and the Seller/ Developer assumes no role or responsibility whatsoever on the client's requirements that determine his/her loan approval, partial approval, or dis approval. The Bank interest may change at any time and be subject to periodic re-pricing. Interest rates indicated may change without prior notice and are subject to bank discretion and verification. OFWs may be subject to shorter approved loan terms per policy of selected commercial banks. Longer terms depends on bank and approvals.
